- ✘ All dogs must be up-to-date on vaccines and complete the required paperwork prior to signing up
- ✘ **Required Vaccinations: DHLPP, Rabies, H3N2 Influenza, Bordetella, & Clean Fecal Exam**

PUPPY KINDERGARTEN

Start off on the right foot with puppy training class to teach appropriate behavior to your puppy and build a strong foundation for obedience. Our puppy training classes provide education on topics such as leadership, manners, and socialization, while also addressing the common puppy behaviors such as puppy biting, destructive chewing, barking and house training. Included in this puppy training program are puppy gentling exercises and the basic obedience exercises.

Session 1: Begins Saturday November 9th and is every Saturday from 8-9AM

FAMILY DOG BASIC OBEDIENCE

Everyone should be able to experience a dog that walks nicely on a leash and comes when called. Family Dog is for dogs 5 months and older. Basic obedience training can turn your canine into a reliable, faithful companion dog. Besides all of the novice obedience exercises, good manners, leadership and social skills are emphasized in the beginning level. We address common behavior problems in this class like jumping, nipping, digging, barking and pulling on the lead. Your dog will learn all of the basic obedience exercises in this class such as heeling on walks, stays, down, sit, wait, and coming when called.

Session 1: Begins Tuesday October 8th and is every Tuesday from 7-8PM

Session 2: Begins Saturday November 9th and is every Saturday from 9-10AM

Call Tail Gate at 630-834-3030 to sign up for any of these training programs today!

SUPER DOG ADVANCED OBEDIENCE CLASS

This class will allow you and your pet to work in public places with instruction like shopping centers and busy downtown areas. This is a fun way to challenge and exercise your pet, while continuing your pet's obedience education and good manners! Obedience skills and dog tricks are taught in this course.

Session 1: Begins Thursday October 3rd and is every Thursday from 8-9 PM

STAYS, RECALLS, AND DISTRACTIONS

This is a class for the dog of any age who knows the basics but who has difficulty responding to commands when there are other animals, other people or any other distractions present. In this class we work on leash walking with distractions, recalls with more distractions and distance, and stays with more duration and increased distractions. The goal of this class is to teach you how to gain focus and attention from your pet so you can rely on them in and out of the house!

Session 1: Begins Tuesday October 8th and is every Tuesday from 8-9 PM

For specific training questions please contact Monica directly, call or text 847-345-3119.
