Train Smart Basic Obedience

Obedience training is the foundation of good behavior. Whether you want a well-behaved family pet or a dog that will go on to competition or field training, the “Train Smart” method will supply you with the necessary tools.

Our training sessions are designed to be fun, informative and a sure method to establish a permanent bond between you and your dog. Classes are an excellent means of stimulating your dog’s intelligence and training his or her mind with positive reinforcement.

This class is for dogs 5 months and older. Your dog will learn sit, heel, stay, come on command and the always important “no”.
