FAMILY DOG BASIC OBEDIENCE

Obedience training is the foundation of good behavior. Whether you want a well-behaved family pet or a dog that will go on to competition or field training. Our training sessions are designed to be fun, informative and a sure method to establish a permanent bond between you and your dog. Classes are an excellent means of stimulating your dog's intelligence and training his or her mind with positive reinforcement. This class is for dogs 5 months and older. Your dog will learn sit, heel, stay, come on command and the always important "no".

Session 1: Saturday, July 16th at 8am and is every Saturday from 8:00 – 9:00am

STAYS, RECALLS, AND WALKS

Community Canine expands on CGC skills and lays the beginning foundation for obedience, rally and therapy dog work. While Canine Good Citizen tests are simulations of real world skills, the goal of A.K.C. Community Canine is to test the dog's abilities in a natural setting. Rather than the test being administered in a ring, certain elements will involve the dog walking through a real crowd, whether at a dog show or on a busy sidewalk. Eligible dogs for the A.K.C. Community Canine title must have a CGC certificate. This class is mixed with stays, recalls, and distractions class to help your dog improve their basic skills and commands to better further their training.

Session 1: Saturday, July 23rd at 10:30am and is every Saturday from 10:30 – 11:30am

****We will skip all classes on Saturday, July 2nd due to the holiday.**
